

Looking at the Stars

THE UNIVERSE EXPLAINED:

BLACK HOLES:

→ INDEFINITE SPEED +
INDEFINITE DENSITY

DENSITY

← INDEFINITE SPEED CREATES
INDEFINITE DENSITY.

WELL

INDEFINITE SPEED = > SPEED OF LIGHT

↓
LIGHT IS S L O W !!

THE HUMAN BRAIN HAS COMBINED ENERGY THAT
IS MUCH FASTER THAN THE SPEED OF LIGHT.

NOW I AM A TIME TRAVELER.

TIME: A RELATIVE VIEWPOINT. TIME DOES
NOT EXIST. HUMANS MADE IT UP.

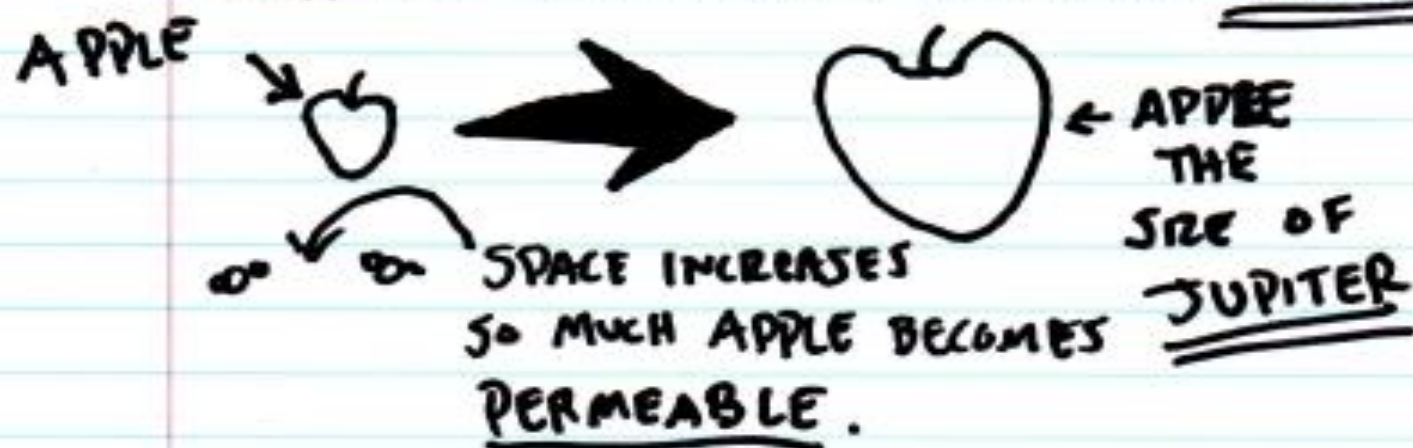

SPACE: IF TIME DOES NOT EXIST THEREFORE
OBJECTS CANNOT EXIST!

MATTER: IF THERE IS NO TIME THEN IT
DOESN'T MATTER!

MATTER: A SPONGE OF MOLECULES / UNIVERSES / MINIATURE SUNS.

THERE IS MORE S P A C E IN OBJECTS THAN THERE IS MATTER.

IF ANY OBJECT WAS INCREASED IN SIZE SO THAT THE SPACE BETWEEN THE MOLECULES INCREASED ONLY, THE OBJECT WOULD BECOME A GAS GIANT

TIME / SPACE TRAVEL: INCREASE THE SPACE BETWEEN OBJECTS + INSERT "MATTER" INTO THE SPACE. (THE SPACE BETWEEN ALL MATTER IS ABSOLUTE ZERO. (0°K))

ABSOLUTE ZERO! IF SOME "THING" IS 0°K IT BECOMES A CONTRADICTION.

ZERO = INFINITE HOT + INFINITE COLD.

IN the HOTEL ☺

INSERT "MATTER" GIGGITY!
MATTER → 0
 0°K

WE ARE MADE FROM
MOSTLY NOTHING = MOSTLY 0°K

IF OBJECT IS INSERTED INTO ABSOLUTE ZERO
THEN OBJECT CANNOT PHYSICALLY EXIST!

THE OBJECT MUST MOVE FROM LOCATION!

THE MOLECULES BECOME ATTRACTED TO EACH
OTHER ONCE THE MOVEMENT HAS STOPPED
DUE TO THE TEMPERATURE. (OR LACK THEREOF)

THEY ARE COMPLETELY HORIZONTALLY DRAWN
TOGETHER INCREASING IN SPEED UNTIL
THEY COLLIDE.

STARS! AT THE POINT OF COLLISION THE OBJECT
IMPLodes AND TRAVELS TO ANOTHER ABSOLUTE
ZERO SOMEWHERE IN THE UNIVERSES. (YES PLURAL)
THEN A STAR IS CREATED THAT HAS THE SAME
AMOUNT OF MASS/ENERGY THAN THE ORIGINAL
OBJECT. UNIVERSE = ALL = \emptyset , \emptyset = ALL. END.
